

# VI INTERNATIONAL CONGRESS OF ART HISTORY STUDENTS

Dear students,

We are happy to inform you that the applications for VI. International Congress of Art History Students are opened for submission. This year's Congress will be held from 8<sup>th</sup> to 10<sup>th</sup> November 2017 at the Faculty of Humanities and Social Sciences in Zagreb.

International Congress of Art History Students is a project founded in 2011 by art history students of the Faculty of Humanities and Social Sciences in Zagreb. From the very beginning, the idea behind the Congress was to connect students at an international level and to share knowledge and experience. Students from numerous European universities gather in Zagreb every year to present their latest scientific research to their colleagues and the academic community.

The theme of VI.ICAHS is Interdisciplinarity in Art History. It was chosen to highlight the importance of other scientific fields in art history research. During the three days of the Congress, each participant will have 15 minutes to present his/her work (accompanied by visual presentation) with 10 minute discussion on the subject. The official language of the Congress is English and therefore both your oral and visual presentation must be in English as well.

If you want to be a part of the Congress you can submit your application until Sunday 2<sup>nd</sup> of July 2017. To apply you have to send an abstract of your work in English in which you have to present the main points of your research (300-500 words). You also have to send your personal information: name, surname, level of study, university and city. Abstracts will be reviewed and selected participants will be notified. In order to participate the applicants are required to submit written papers by the beginning of the Congress (in English, 15 – 20 standard pages).

All participants are required to pay the participation fee in amount of 100HRK (~14 euros) upon their arrival. During the Congress, participants, who are not students of University of Zagreb, will be provided with accommodation and a meal. Travel expenses are not included.

You can send your application or ask any question to [icahs.vi@gmail.com](mailto:icahs.vi@gmail.com)
